Simply point and click**

**“If you’re fair dinkum about winning at the  
punt, this is essential. Much, much more  
than a formguide — I reckon it’s fantastic.”**

L.A. of

**“I would recommend your service to anyone  
who wishes to punt with success”**

G.R. of Kyneton

- ◆ **Up to 15 years of race/horse histories**
- ◆ **Twice weekly Updates provide results of EVERY race in Australia and New Zealand, including all non TAB meetings.**
- ◆ **Fields & Riders for ALL TAB and**

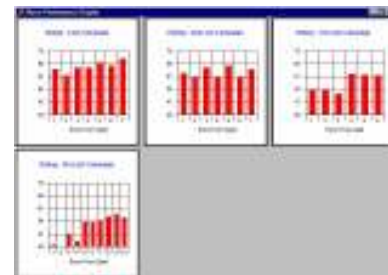

**Providing The Sophisticated  
Tools To Enable You  
To Back More Winners**

## Everything You Need To Know — It's All Here

- ◆ Our new Win 95/98/NT version has been designed for **ease of use** and boasts a host of new features. Providing the **sophisticated tools** to make **selecting winners** even easier. **Y2K compliant.**
- ◆ **Full Windows functionality — Results & Fields loading fully automated via Internet / Bulletin Board**
- ◆ **Improved Horse Analyser** screen with these added options
- ◆ **Wider screen display** with more information across the screen
- ◆ See at a glance the **form patterns** of a horse during a preparation. You can also sort on our exclusive **Run From Spell** field to view each run in a preparation, eg. all 1st up runs, 2nd up, 3rd up etc
- ◆ **Extra Sorts:** by **Fresh Races**, **Metropolitan runs** (Saturday or midweek), **Group runs**, **Set Weights** or **WFA races**, **jockeys**, as well as our **exclusive run from spell**, course, distance, track condition.
- ◆ **Pedigree Checker** - if sire/dam on the database, it is highlighted; click hyperlink to display that horse's history.
- ◆ **Age improvement column** on form display
- ◆ **Race Notebook** option - make your own notes on a meeting, a race, or individual horse.
- ◆ **New Stats screen** with full performance history
- ◆ **Form Factor Builder** enables you to build your own form filter displays on the fly.
- ◆ **Graphs** - display form patterns in graphical format.
- ◆ **"Form" races** - see at a glance the winners that have come from a race.
- ◆ Rivals display - direct **horse by horse comparisons** rating/weight analysis if they have met before or met a "common" horse - see who figures to win.
- ◆ **Trainer/Jockey stats** by name or upcoming meetings list
- ◆ **Integrated** seamless downloads from the Internet or our modem Bulletin Board.
- ◆ **Race Schedule** - Chronological listing by your local time zone of all races on the day at different venues by meetings you select.
- ◆ **Detailed Online Manual**
- ◆ **Results twice weekly, fields & jockeys daily — via the Internet or our Computer Bulletin Board**

**The Win-Ultimate Horse Analyser**

**Horse Performance Graphs**

**The Ultimate Handicapper predicts the likely finishing order with uncanny accuracy. It even allows you to do your own adjustments too if you wish.**

- ◆ Option for **automatic deduction of apprentice claims** and addition of expected jockey **overweights**
- ◆ **Sorting by predicted margin**, i.e. sort in predicted finishing order.
- ◆ **Animated** graphical representation of finish.
- ◆ **Barrier** positions automatically **adjusted for scratchings**.
- ◆ **Speed Map** shows where horses will settle in the race.
- ◆ **Dual engagements** - see at a glance if a horse is engaged at another meeting today/prior to/after today's race.
- ◆ **Race class toggle:** view class figure rating has come from and **much much more.....**
- ◆ All relevant columns **able to be edited**

**The Ultimate Handicapper**

*If you want to win at the races in this technological age you need an edge. To get that edge you need more than a formguide — you need the Win-Ultimate Database Race into the new millennium with the Ultimate Racing Tools — your computer and The Accuratings Win-Ultimate Database.*
